[illegible]

The forays of Ludwig and Ras with male layout supervisor Ogie Tapes in 'Jingle' magazine into the mean streets of Chinatown were the stuff of literature, Henry Miller-style deep in the tropics, complete with X-rated, humorous scenes.

PENMAN

A plenitude of pens

But hallelujah (or should I exclaim alas?), I had a credit card, and walked out of that shop pen in hand — as James Joyce put it in 'Araby,' 'I bore my chalice safely through a throng of foes.'

'Jekyll & Hyde': The good, the horrifying, and the horrifyingly good

The character of Dr. Jekyll ends up easily overpowered by the memorable frenzies and ramblings of Mr. Hyde. The story really begins to pick up when he comes into play, perhaps because of his depiction here as an almost vigilante-type figure with a cane for administering warped justice.
